

DECLARATION UNDER 37 C.F.R. 1.132

I, MARK B. ROSENBLUTH, declare as follows.

1. I am a co-inventor of the subject matter claimed in the present patent application U.S.S.N. 10/041,678 filed on January 7, 2002 ("the present application").

2. I have examined the subject matter of US patent application 2003/0115426 filed December 17, 2002 (Rosenbluth et al.); US patent application 2003/0115347 filed December 18, 2002 (Wolrich et al.), and US patent application 2003/0110166 filed December 12, 2002 (Wolrich et al.).

3. In examining the above listed patent applications, I found that the material pertaining to the claims of the present application is describing the work of myself and the co-inventors of the present application and was derived from the work of myself and the co-inventors.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.
